INTERNAL RIBBED END CAP WITH LUG FOR ALUMINUM LADDER - SPARE PART

13,90 € HT / unité

END FOOT FOR ALUMINIUM LADDERS AND TUBESCA-TYPE CONSTRUCTION STEPLADDERS

Restore the stability and safety of your equipment with this **internal end cap with lug**, specially designed for aluminium ladders and stepladders. Easy to install, it fits directly into the upright and locks firmly into place thanks to its locking lug.

- **Fixing type:** Internal (fits inside the tube).
- **Enhanced safety:** Perfect hold guaranteed by the locking lug (prevents the foot from falling off).
- **Protection:** Anti-slip base to secure footing and protect your floors.
- **Sold individually**: remember to check the condition of your second end cap.

Select the dimension corresponding to your ladder profile from the drop-down menu below.

Prix dégressifs selon les quantités :
